Caused by a Cow.

SCRANTON, Pa., September 3.—A coal train on the New York, Ontario and Western Railroad ran over a cow tonight at Maysville, fourteen miles from this city. The train left the track and crashed into a small hotel standing close to the track. The building was lifted from its foundation walls and a man named William Lyons, who was inside, was killed.

THE MARKETS.

New York Stock Market.

New York, September 3.—In the Stock Market today business developed by the efforts of the bears to further suppress the Rock Island and sugar refineries with some trading in Wheat and St. Paul.
